Expansion valves 1 of 2

Commercial refrigeration

RKOYA102

Line components including filter driers with Copper connectors

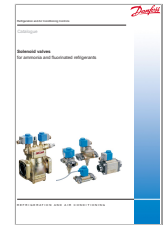

Commercial refrigeration

RKOYR102

Solenoid valves for fluorinated refrigerants and ammonia

Industrial refrigeration

RKOYL102

Expansion valves 2 of 2

Commercial refrigeration

RKOYB102

Pressure controls and thermostats

*Commercial and
Industrial refrigeration*

RKOYF102

Pressure and temperature regulators

Industrial refrigeration

RKOYM102

Solenoid valves for fluorinated refrigerants

Commercial refrigeration

RKOYC102

Electronic controls

*Commercial and
Industrial refrigeration*

RKOYG202

Safety valves and double stop valves

Industrial refrigeration

RKOYN102

Pressure and temperature regulators and water valves

Commercial refrigeration

RKOYD102

Stop and regulating valves

Industrial refrigeration

RKOYJ102

Expansion valves for ammonia

Industrial refrigeration

RKOYP102

Line components including filter driers with Cu-plated connectors

Commercial refrigeration

RKOYE102

Line components

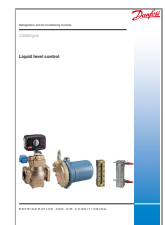

Industrial refrigeration

RKOYK102

Liquid level control

Industrial refrigeration

RKOYQ102
