MANUFACTURER'S DECLARATION

Danfoss Automatic Controls

declares under our sole responsibility that the product(s)

Isolation valves and test valves type MBV2000, MBV3000, MBV5000

Covered by this declaration are in conformity with the following directive(s), standard(s) or other normative document(s), provided that the product is used in accordance with our instructions.

Pressure Equipment Directive 97/23/EC

We hereby declare that mentioned equipment for fluid Group I and II is covered by Article 3, paragraph 3 which means that:

- The products are designed in conformity with good technical practice in one of the member states.
- The products are not allowed to carry the CE mark and may not be used as safety equipment.
- An EC-Declaration of Conformity cannot be issued referring to Directive 97/23/EC.

The RoHS Directive 2002/95/EC & The WEEE Directive 2002/96/EC

Danfoss hereby confirms that substances regulated by above directives: lead, mercury, cadmium, hexavalent chromium, PBB & PBDE are not deliberately used above the limits specified in the directives, in the products produced from 1st of May 2006.

Approved by:

Signature by the management of the Danfoss Company concerned or a person who is empowered to sign for the company

Jaroslaw Strzelczyk
